Acknowledgement of Financial Responsibility

INDIVIDUAL'S FINANCIAL RESPONSIBILITY. I understand that I am financially responsible for time spent with ANY PROVIDER at Houk Chiropractic Clinic **unless** the appointment has otherwise been pre- determined a "consultation".

Should I choose to involve my health insurance, the deductible, co-pays coinsurance, or non-covered services are ultimately my responsibility. Payments are due at time of service unless otherwise discussed, or a financial arrangement has been made. If insurance coverage is discovered after my date of service, Houk Chiropractic will be willing to "retro" bill any dates of service within the timely filing limits established by my personal insurance company. I understand that it is my responsibility to provide Houk Chiropractic accurate insurance information and that failure to do so may result in a denial of my claim.

As stated by my insurance company, a "quotation of benefit is not a guarantee of coverage or payment" and is dependent upon eligibility and medical necessity. Patient responsibility is determined by the insurance company. Claims are processed, and current insurance policies are applied.

Any pre-collected funds will be applied to the date of service, and I will be billed the difference when applicable. I understand that any pre-collection is an estimate based on the quote from my insurance company, and a courtesy performed for me by Houk Chiropractic.

In the event that my health plan determines a service to be "not payable", I will be responsible for the complete charge and agree to pay the costs of all services provided. If I am uninsured, I agree to pay for the medical services rendered to me at time of service.
